Public Input and Review of American Rescue Plan/ Elementary and Secondary School Emergency Relief Funds Application

The academic and instructional planning for ARP/ESSER III funds must demonstrate that the district engaged in meaningful consultation with stakeholders and incorporated input into its plan from, including, but not limited to: students, families, civil rights organizations, school and district administrators, teachers, principals, school leaders, school staff, and their unions; and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children and youth in foster care, migratory students, children who are incarcerated, and other underserved students. The application must address the following:

- What historical and recent data has the district reviewed in order to understand student needs resulting from, or relating to, the impact of COVID-19 since March 13, 2020?
- As a result of the above data, what needs and goals were identified?
- How does the district plan on leveraging, maximizing, or even extending the school day and/or school year in order to accelerate academic learning and social-emotional wellness?
- How does the district plan on engaging and enriching students through extended learning for academic acceleration and social-emotional wellness beyond the traditional school day, and who will be partners in this work?
